

## THE SMARTEST WAY TO MANAGED REPAIR.

We transform the way that insurance carriers give policyholders access to better contractors. Policyholder satisfaction is improved. And, it's all easily managed online.

A SIMPLER, MORE PLEASANT REPAIR EXPERIENCE - ALL ONLINE.

## WE ARE ALL ABOUT TECHNOLOGY IN THE INSURANCE WORLD.

Here's why there's nothing quite like Westhill:

### DIGITAL EXPERIENCE

Offering ease of use. Repair management & monitoring all in one convenient platform.

### WORKFLOW FLEXIBILITY

Virtually zero overhead cost. Guaranteed to integrate into just about any insurance carrier's existing workflow.

### CURATED CONTRACTOR NETWORK

We rely on data to build & optimize a better contractor network that upholds high industry standards.

## ELEVATING THE REPAIR PROCESS HAS NEVER BEEN EASIER.

Through partnership, we can improve the insurance industry and make a difference. Interested in creating a better shared-future for policyholders? Become a Westhill partner now.
