

# Accuracy, Always.

Streamline your workflow and reduce costs with our multi-step quality and accuracy review service. We identify and rectify cost discrepancies across materials, labor, upgrades, and taxes.

## WHAT WE DO:

*Fair Market Valuation*

*Review of Estimates and Invoices*

*Quick, Compliant, and Cost-Effective*

*Comparative Bid Procurement*

*Contractor Negotiations*

*Confident, Optimized Settlements*

## CLAIMS CATEGORIES WE REGULARLY HANDLE:

### *Commercial Outdoor Signage*

LED displays, monument signs, illuminated signs, and 3D signs/lettering

### *Complex Equipment*

Specialty machinery, farm, medical, and restaurant equipment

### *Structural Estimates*

Water mitigation, landscaping, DOT guardrails, building, and auto repairs

### *Utilities & Municipalities*

Electrical, plumbing, cabling

## DID YOU KNOW?

Over half of repair and replacement quotes are inflated. Contractors regularly mark up their estimates by 15-20%.
